

Quad Tower Display

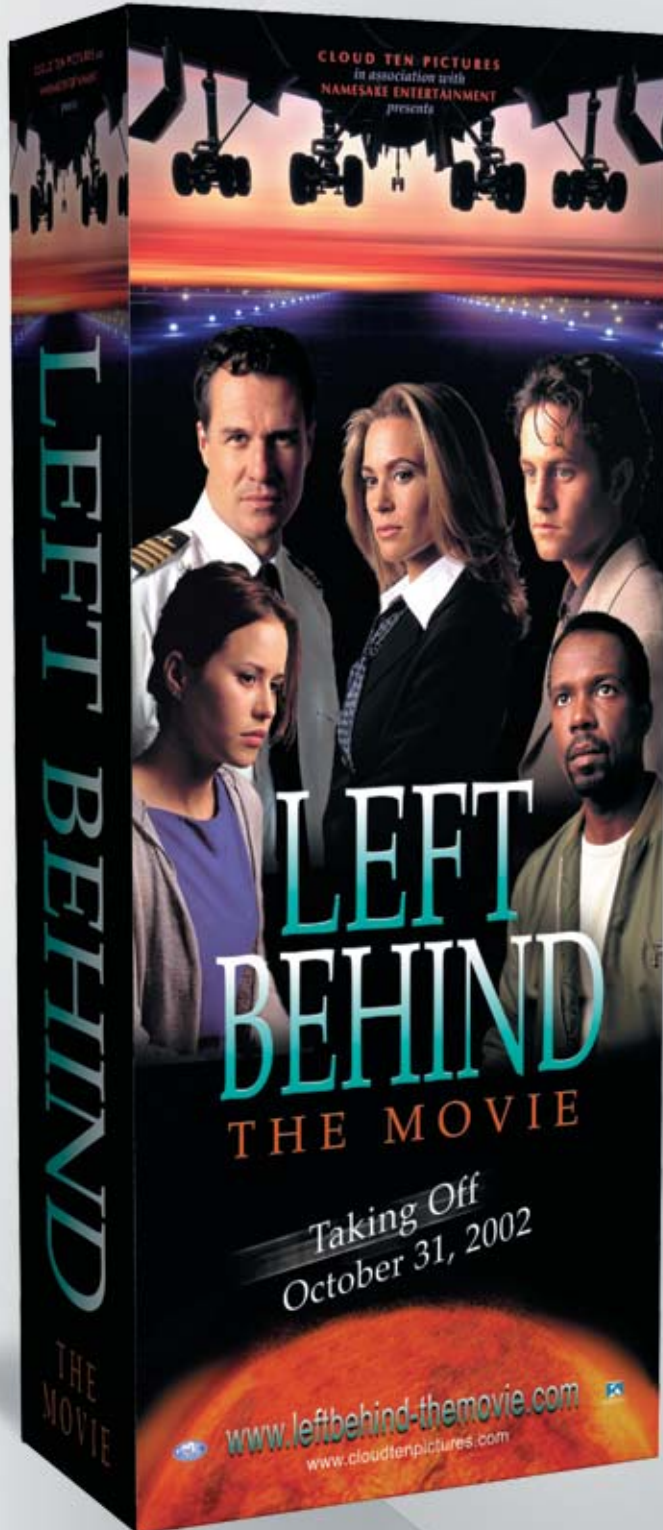

Innovation
For Results®

Simple... and Cost Effective

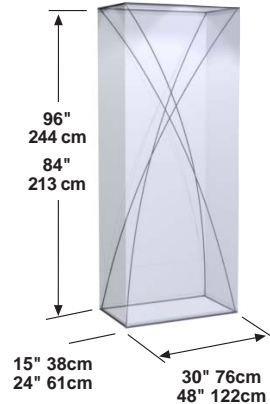

Use depth and dimension to
create a lasting impression.

The Quad Tower display towers over the competition. A three dimensional column of graphics, where your message will be seen and remembered from every direction at once. The Quad Tower is lightweight, durable and extremely portable. Optional lighting can be added for even greater impact. Backed by a lifetime repair and replace warranty.

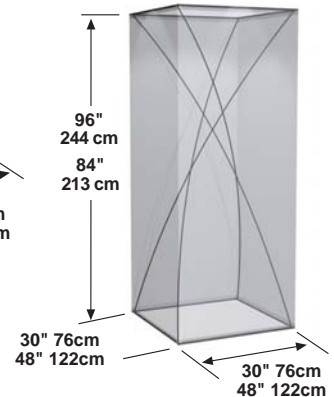

Easy set-up with 4X
the graphic appeal at
1/3 the price!

Quad Tower - Rectangular
